Artwork Format

- High resolution artwork in vector format (i.e. Illustrator PDF format or similar).
- Please provide font library if unique or format fonts in vector outlines.

Graphic Production

- Substrate Panel: 3mil plastic backing
- Graphic Film: 4 color digital graphic output utilizing UV protective soy based ink
- Over-laminate: Thin clear protective film applied over graphic output
- Ttl Graphic Panels: Seven (7)
- Sizes: As specified above

LED Lighting System

Powerful bright white LED lighting system illuminating seven (7) large graphic panels. Lithium batteries are capable of powering lights for several weeks without charge. Minimal power drain to batteries. Graphics are visible for blocks...more like a UFO and sighting stop people.

Patent Pending
